

Five Boro Mold Specialist has over a decade of experience in home inspection and mold remediation for NYC's five boroughs and the metropolitan area. We use state of the art equipment and follow industry guidelines to rid your property of mold. Our highly experienced staff is professional, certified and dedicated to providing premium service. We work closely with our clients to understand their needs and concerns both during and after inspection and/or remediation

Our inspections are the most professional, accurate and comprehensive building inspections in New York. Using the latest technology, we thoroughly inspect your home for mold using swab samples, air test, and infrared technology. Once these test are complete we send the samples to the lab to investigate possibilities of water damage, mold throughout the area, and harmful particles in the air. We provide a full report of any possible issues and breakdowns on how to rectify and prevent any issues in the future.

We also provide remediation services to remove mold in a clean, fast and professional manner. Using EPA guidelines and tried and true methods, we are able to complete any job in a through and fast manner. We are so sure of our service we offer a 2 year guarantee with every remediation we perform. Your satisfaction is our primary goal and we treat each customer with thoughtful, intelligent, professional courtesy.
